

Recognition Letter

May 1, 2006

Dear Kate:

Thank you so much for your wonderful performance on Friday evening (April 28, 2006 at Lyceum in Alexandria, VA). What an INSPIRATION! The audience loved it! Some of our women artists in the audience were left with tears in their eyes. Miseret, our Ethiopian painter told me how much your play answered her personal questions about life in America as an immigrant woman. Heartfelt Thank You for EVERYTHING! (We raised close to \$5,000!!!)
