

## Recognition Letter

*On March 21, 2006 Kate performed at a community outreach of Women: Back to the Future for TheMontgomery County, MD Business and Professional Women (BPW) at the Doubletree Hotel in Rockville, MD. The following is an excerpt from a letter BPW received on that performance.*

Dear Susan,

Please pass on to the members of Montgomery County BPW a big thank you from the Girls Scout Troop 43 for the opportunity to attend your meeting last night and to be the privileged guests of Kate Campbell Stevenson's performance, ***Women: Back to the Future***.

Ms, Stevenson's performance was inspiring to Catie, Beth, and the Girl Scouts that attended with me....My daughter Catie, with another friend of hers has started a feminist club at Albert Einstein High School. And she plans on being a writer as well-- Ms. Stevenson's urging of "write your own history" made an impression. The event set off a great conversation on the way home that continued until bedtime.

What a great outreach opportunity!

Sincerely,  
Jacquie Padgett
