Hi Kate

From all of Project Opportunity Staff and Bryant AHS, I want to extend the biggest THANK YOU as well as our gratitude for such a wonderful performance. You are a dynamic individual with awesome talent! Both students and staff were overjoyed with your performance and are still talking about today; you really know how to captivate your audience! We were all amazed with your acting abilities as well as YOU as a person. The messages that were delivered were so useful and so on point for our group of students. You are an inspiration to all! A sincere thanks once again.
